Moore City Manager</p>
<p><b>SYNOPSIS</b></p> <p><b>FISCAL IMPACT</b></p> <p><b>RECOMMENDATION</b></p> <p><b>BACKGROUND</b></p>	<p>A resolution to authorize the City Manager to enter into contract with Alta Planning Plus Design, Inc., for the Complete Streets Master Bike Plan Study, ArDOT Project 061628, Bid No. 652.</p> <p>The amount for Consulting Services is not to exceed \$99,961.00. Funding for this project is from a grant from the Arkansas Department of Transportation (\$50,000.00) and from Street Fund Special Projects as authorized by Resolution No. 14,767.</p> <p>Approval of the resolution.</p> <p>This study will review and prepare recommended revisions to the current Master Bike Plan. Many of the current and proposed routes need revision due to the many changes in development patterns of the city and changes in priorities for a bicycle transportation system. Some of the current proposed routes would be difficult to fully implement due to right-of-way widths and other constraints. The study will also integrate the many new routes that have been constructed in recent years with proposed future routes.</p>
